MyCreditsTransfer meeting at IACRAO
Hope you can attend!

MyCreditsTransfer is hosting a session of our Annual Statewide Meeting this year at IACRAO in Springfield.

If you or someone from your institution will be at IACRAO, please consider joining us. The session is Thursday, Oct. 26th at 9:45 a.m. (breakout session Block 4) in Plaza C.

This meeting is valuable to representatives from colleges and universities that currently participate in the Illinois Transferology network, and for those considering participation.

It is an opportunity to discuss initiatives in statewide transfer, learn how to get the most from the Transfer Pathway feature of Transferology, and to provide important feedback that is critical to the continued success of Illinois MyCreditsTransfer.

We hope you will join us! For questions, please contact Dena Lawrence, Project Coordinator (phone: 217-244-0931, email: denalawr@uillinois.edu).

This tool focuses on information for Illinois high school students to help them plan for transfer from an Illinois community college to an Illinois 4-year institution and is a valuable resource for counselors and parents, too.

When you check out [TransferREADY.org](TransferREADY.org), don’t miss these features:

- **Which One are You?** - Click to view advising pointers, depending on the student’s current plan.
- **Transfer Basics** - Answers common questions and clarifies information students need for transfer planning.
- **Myth Busters** - Rest your cursor on a myth to reveal the truth!
- **Learn More** - Click a button to connect with other online resources and important information.

We hope you and your students will find it a valuable resource. Email Dena Lawrence at [denalawr@uillinois.edu](mailto:denalawr@uillinois.edu) to let us know what you think.

Please help ensure students know, transfer is a valid path to complete a Bachelors degree. They can **be TransferREADY!**
Congratulations to the Newest Members of Illinois’ Transferology network: Dominican University, Lincoln College, and North Park University!

MyCreditsTransfer is excited to announce three more institutions have joined the Illinois Transferology network!

Congratulations to Dominican University, Lincoln College and North Park University that recently purchased Transferology™ licenses.

Very soon students using Transferology will be able to see how their credits might transfer to Dominican University, Lincoln College, and North Park University, along with our 32 other participating colleges and universities in Illinois.

Use of Transferology has continued to grow, not only in the number of IL participating schools, but also in the number of users in Illinois.
